

Rain and light sensor release tool, rounded internal edges

Article No.: 140.2366

EAN: 4042146601310

Promotional price: €17.00 *

Description

- ideally suited to quick and easy removal of the SOR-199 sensor optic on the windscreen
- a damage-free disassembly is ensured with this tool by completely surrounding the sensor
- once the sensor has been surrounded it is simply pulled out to the side
- by warming the windscreen from the outside, the adhesive for the sensor is easier to remove
- with rounded inner edges
- with plastic handle
- special tool steel
