

Copper pipe external bending spring, imperial

Article No.: 203.0001
EAN: 4042146025826
RRP: €3.22 *

Description

- for manual bending of soft copper tubes
- angled cone
- optimal spring shape prevents compression in the bending radius

Properties

Application material:	copper
Diameter D in inch:	1/4"
Packaging contents:	1
Packaging height, mm:	16
Packaging length, mm:	292
Packaging width, mm:	21
Total length L in mm:	290.0
Weight [g]:	60
profile1:	imperial sizes
