

Quick-Lock coupling for grease guns, 1/8"

Article No.: 980.1108

EAN: 4042146754085

Promotional price: €43.00 *

Description

- ideal for commercially available manual, battery operated and pneumatic grease guns
- secure greasing during maintenance work without holding in place
- uncoupling up to over 690 bar pressure possible
- no grease loss under high load operation
- no spraying when uncoupling
- simple and secure loosening, even under high pressure through lever actuation
- for all common grease nipple types according to DIN and SAE
- integrated seal for long service life
- very low wear
- with 4 hardened tool steel jaws

Properties

Connection thread:	1/8"PT
Height in mm:	38
Packaging contents:	1
Packaging height, mm:	30
Packaging length, mm:	123
Packaging width, mm:	121
Total length mm:	74
Weight [g]:	100
