

Roll bearing puller set for ZF gearbox, 17 pcs

Article No.: 460.1425
EAN: 4042146724330
RRP: €2,447.24 *

Description

- to remove the roller bearings without damage
- extremely sturdy execution
- special tool steel

Application range: Flat roller bearing transmission e.g. ZF12S

Properties

Material1: special tool steel
Packaging contents: 1
Packaging height, mm: 214
Packaging length, mm: 754
Packaging width, mm: 335
Parts in the set: 17
Weight [g]: 28000

Consists of
