

Magnetic key 10.0 mm

Article No.: 550.1331

EAN: 4042146726129

RRP: €93.27 *

Description

- quickly and easily converts solenoid valves into manual valves
- enables tests on solenoid valves
- facilitates the search for the defective valve
- very compact in size
- easy handling and use
- practical size

Application range / for: e.g. when opening the compressor circuit in bus air-conditioning systems

Properties

Diameter in DN:	10,0
Diameter in mm:	41,0
Packaging contents:	1
Packaging height, mm:	73
Packaging length, mm:	70
Packaging width, mm:	65
Type:	MVOC-10
Weight [g]:	84
height H:	41.0
