Description

- easy wall mounting
- holding of the Type 2 plug (vehicle end) when the vehicle is not being charged
- straight form
- base plate diameter 98 mm
- 4 drill holes provided
- incl. high-quality mounting material
- black

The wall bracket is very well suited to storing the plug (vehicle end) in an orderly manner when it is not being used. The plug is not left on the floor so that the danger of driving over it with the vehicle is minimised and the risk of tripping is avoided. 4 high-quality anchors and fitting screws are included in the delivery package.
