

Electrician's protective glove with protective insulation made of natural latex without mechanical protection

Article No.: 117.0048

EAN: 4042146880562

Promotional price: €57.50 *

Description

- dielectric latex gloves
- insulated to DIN EN 60903
- with anatomical fit
- anti-allergy treated
- with straight edge
- UV-resistant packaging

The use of glove liners is recommended for absorbing skin moisture and for better ventilation.

Attention: Over-gloves are necessary for mechanical protection!

Properties
