

Rim lock removal set, 15 pcs

Article No.: 913.1430

EAN: 4042146913123

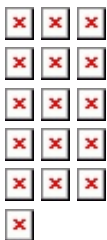

Promotional price: €151.00 *

Description

- for quick and easy loosening of defective rim locks and defective or lost drive keys
- ideally suited for rim locks with or without rotating outer sleeve
- no more drilling or welding necessary, thus preventing major damage to the rims
- can be used for almost all current wheel lock systems
- including various rim wrenches, adapters, centring mandrel, impactor and hand guard
- the malleable rim keys can be adapted by striking with a hammer
- multiple deformation of the rim keys is not possible
- phosphate finish
- chrome molybdenum
- in durable plastic storage case

Properties

Material1:	finest chrome molybdenum steel
Packaging contents:	1
Packaging height, mm:	62
Packaging length, mm:	264
Packaging width, mm:	434
Parts in the set:	15
Weight [g]:	1870
