

## Vacuum fluid extractor suction pump 6.5 litre included 4 hoses

Article No.: 160.0865  
 EAN: 4042146976692  
 Promotional price: €72.00 \*

### Description

- ideal for quick, clean and simple suction, intake and emptying of fluids
- suitable for engine oil, transmission oil, hydraulic oil, brake fluid, water etc.
- for pneumatic use with a compressor or manual use with the integrated hand pump
- select a suitable probe and suck easily using the vacuum principle
- suction process automatically stopped when housing is full, preventing fluids from spilling over
- with integrated pressure relief valve for more safety
- with high-quality pump housing and strengthened pump head
- includes 4 probes for different uses
- ideally suited to hard-to-reach places thanks to the included, long suction hose
- the suction hose is resistant to petrol and oil
- polyethylene

### Properties

Accessories:	with extensive adaptor assortment
Capacity:	6.5
Filling hose length:	1.5
Height in mm:	550
Operating temperature:	2°C - 80°C (35°F - 175°F)
Outside diameter in mm:	200
Packaging contents:	1
Packaging height, mm:	555
Packaging length, mm:	210
Packaging width, mm:	200
Parts in the set:	6
Volume in litre:	6,5
Weight [g]:	4000
Work pressure:	3 - 11
max. Flow rate:	1,4 l/min
