

Fixing bolt set for subframe for VAG M14 x 1.5, 4 pcs

Article No.: 150.2680
EAN: 4042146590881
RRP: €74.81 *

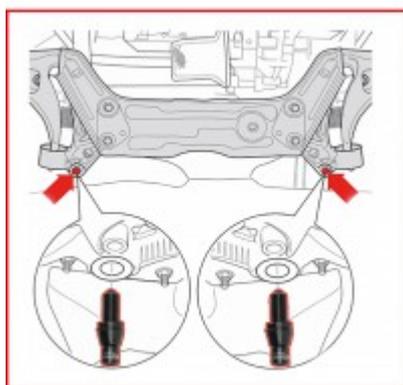

Description

- ideally suited for adjustment of the subframe (chassis) when assembling
- it is necessary to renew the rubber bushes as well as for all work when the subframe is disassembled
- allows for great time saving, since the axle does not need to be measured
- simple assembly
- special tool steel
- in durable plastic storage case
