

## Universal windshield removal device

Article No.: 140.2670

EAN: 4069465014416

Promotional price: €449.00 \*

### Description

- universal usage
- ideal for the correct and careful removal of adhered front windscreens as well as most rear and side screens
- for use with the cordless screwdriver
- wire lead directly in front of the windshield, therefore omitting the costly disassembly of trim parts in most cases
- easy one-man operation
- especially high-quality pump suction for secure windscreen holding
- suction power per disc up to 25 kg
- in plastic bag
