

Precision straight edge, 600mm

Article No.: 152.1090

EAN: 4042146269268

RRP: €348.21 *

Description

- for the inspection and the exact working on cylinder heads
- in accordance with DIN 874/1
- double T profile rail with rear 5 hand slots
- on edge and flat sides examination process
- with hanging hole
- steel

Properties

Material strength S:	16.0
Material1:	steel
Norm:	DIN 874/1
Packaging contents:	1
Packaging height, mm:	25
Packaging length, mm:	604
Packaging width, mm:	43
Total length L in mm:	600.0
Weight [g]:	2100
height H:	30.0
