

Aluminium bending formers

Article No.: 203.1210

EAN: 4042146125731

RRP: €21.93 *

Description

- bend radius 90°
- production of bends against, floors and connection arcs
- aluminium

Properties

Application material:	copper, composite tube
Bend radius in mm:	42
Diameter in mm:	10,0
For bending to:	for bending to 90°
Material1:	aluminium
Packaging contents:	1
Packaging height, mm:	48
Packaging length, mm:	98
Packaging width, mm:	58
Weight [g]:	70
profile1:	metric
