

Piston tolerance gauge

Article No.: 300.0614

EAN: 4042146333006

RRP: €11.44 *

Description

- for the testing of intervals, contact distances etc.
- feeler gauge cylindrical
- blades fan shaped on a ring
- leaves individually marked with size
- blades made out of hardened spring steel

Properties

| | |
|------------------------------|------------------------------------|
| Form: | cylindric and flat |
| Material1: | hardened spring steel |
| Measuring range mm: | 0,05-0,1-0,15-0,2-0,25-0,3-0,4-0,5 |
| Packaging height, mm: | 12 |
| Packaging length, mm: | 192 |
| Packaging width, mm: | 38 |
| Tooth pitch: | 8 |
| Total length L in mm: | 150.0 |
| Weight [g]: | 30 |
