

Piston tolerance gauge

Article No.: 300.0616

EAN: 4042146333020

RRP: €29.28 *

Description

- for the testing of intervals, contact distances etc.
- feeler gauge cylindrical
- blades fan shaped on a ring
- leaves individually marked with size
- blades made out of hardened spring steel

Properties

Form:	cylindric and flat
Material1:	hardened spring steel
Measuring range mm:	0,05-0,1-0,15-0,2-0,25-0,3-0,35-0,4-0,45-0,5-0,55-0,6-0,65-0,7-0,75-0,8-0,85-0,9-0,95-1,0
Packaging height, mm:	126
Packaging length, mm:	106
Packaging width, mm:	47
Tooth pitch:	20
Total length L in mm:	150.0
Weight [g]:	150
