

Welding seam gauge, 12 blades, 3-12mm

Article No.: 300.0619

EAN: 4042146333068

RRP: €26.15 *

Description

- for measuring the welded seams at right angled welded corners
- blades fan shaped on a ring
- leaves individually marked with size
- blades made out of hardened spring steel

Properties

Material1:	hardened spring steel
Measuring range mm:	3,0-3,5-4,0-4,5-5,0-5,5-6,0-6,5-7,0-8,0-10,0-12,0
Packaging height, mm:	20
Packaging length, mm:	102
Packaging width, mm:	64
Tooth pitch:	12
Weight [g]:	50
