

Precision straightedge

Article No.: 300.0630

EAN: 4042146332405

RRP: €19.00 *

Description

- in accordance with DIN 874/00
- hand warmth protection
- test area precise and finely engineered
- flatness tolerance for highest accuracy
- for controlled and test working in the light gap procedure
- hardened
- stainless steel

Properties

Function attribute 1: with Hand warmth protection

Material1: stainless steel

Material2: hardened

Norm: DIN 874/00

Packaging height, mm: 16

Packaging length, mm: 79

Packaging width, mm: 41

Total length L in mm: 50.0

Weight [g]: 30

height H: 25.0
