

Steel pipe cutter for stainless steel (Inox) pipes

Article No.: 110.1000i
EAN: 4042146174821
RRP: €121.38 *

Description

- t-handle for adjusting the working range
- optimum power transfer
- cutting depth max. 19 mm
- metal housing
- special tool steel

Properties

Application material: V2A
Function attribute 1: with telescopic adjustment
Material1: special tool steel
Packaging contents: 1
Packaging height, mm: 68
Packaging length, mm: 398
Packaging width, mm: 126
Pipe sizes imperial: 1/8"-2
Spare wheel metal: -
Spare wheel plastic: -
Spare wheel steel: 110.1002
Total length L in mm: 378.0
Weight [g]: 2500
height H: 108.0
