

Battery charger for battery booster

Article No.: 550.1711

EAN: 4042146419342

RRP: €95.76 *

Description

- designed for continuous usage
- intergrated automatic safety switching off
- impact resistant polyethylene housing

Properties

Application tools:	550.1710
Frequency:	50
Input current:	220 - 240 V
Output current:	12 V / 4 A
Packaging contents:	1
Packaging height, mm:	50
Packaging length, mm:	220
Packaging width, mm:	100
Power plug:	Euro plug (01)
Voltage plug:	230
Weight [g]:	439

**Fits for****Article No.**

550.1710

**Article**

12 V battery booster-mobile starting aid 700 A

**RRP:
