

Flange tool metric with quick clamping device

Article No.: 122.0500
EAN: 4042146015377
RRP: €103.93 *

Description

- flange strip for 6, 8, 10, 12, 15 + 16mm
- for the manufacture of conical flaring 45 °
- very precise crimp due to flange cone with special geometry
- for mobile use

Properties

Function attribute 1: 45° flare, quick release fastener
Material1: special tool steel
Packaging contents: 1
Packaging height, mm: 36
Packaging length, mm: 208
Packaging width, mm: 152
Pipe diameter D: 6 - 16
Total length L in mm: 160.0
Weight [g]: 900
height H: 100.0
profile1: metric
