

## Air cooling flaring and sleeve set 1/8"-3/4", 10 pcs

Article No.: 122.1100  
 EAN: 4042146015599  
 RRP: €143.21 \*

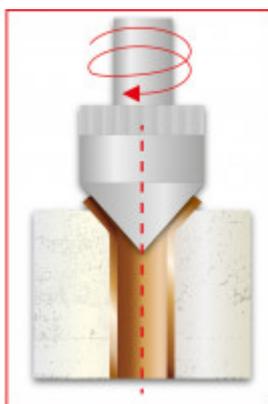

### Description

- to produce straight forward bending 45 ° and capillary sockets on copper, brass, aluminum and thin walled steel tube
- for crimping and expansion of refrigeration and air conditioning lines
- in durable plastic storage case

### Properties

**Application material:** copper, brass, aluminium, thin walled steel tubes  
**Packaging contents:** 1  
**Packaging height, mm:** 50  
**Packaging length, mm:** 275  
**Packaging width, mm:** 200  
**Parts in the set:** 10  
**Pipe sizes imperial:** 1/8"-3/4"  
**Weight [g]:** 2300  
**profile1:** imperial sizes

**Consists of**
