

Thread repair set 16 pcs, M9x1.25

Article No.: 122.1300

EAN: 4042146329979

RRP: €261.21 *

Description

- for the professional restoration
- ideal for defective interior threads for brakes guide bolts in wheel hub housings to repair
- the interior thread in the wheel hub housing M9 x 1.25 serves to the reinforcement of the Brake guide bolts
- due to the Special drill and the drilling template the defective thread is cleared
- in the second section a highly resilient, corrosion-resistant stainless steel threaded sleeve can then be inserted
- in durable plastic storage case
