

Special thread grease, gun

Article No.: 980.1085

EAN: 4042146238646

Promotional price: €12.50 *

Description

- lubricant for components subjected to high static loads, e.g. threaded spindles
- prevents excessive wear and seizing
- irregularities in the surface to be protected are completely filled
- minimises the friction thanks to the closed surface
- effective protection against corrosion
- increases the service life of threaded spindles
- ensures reliable function even at high temperatures up to max. 1200°C

Properties

Application in general: ideal for threaded spindles

Function attribute 1: upon heating up to max. 1200 ° C

Packaging contents: 1

Packaging height, mm: 25

Packaging length, mm: 158

Packaging width, mm: 28

Weight [g]: 22
